7.1 Getamover operates a flexible pricing system wherein the rates per Quotation Request may vary based on various factors, such as demand, supply, seasonality, or other relevant parameters. This is done with the express reservation of the right by Getamover to adjust the rates per Offer Request in real-time, aiming to achieve an optimal balance between the needs of the Participant and Getamover.

7.2 Getamover Participants automatically agree to the rates per Offer Request applicable at that time.

7.3 Getamover is entitled to adjust subscription prices or its rate structure at any time. In case of such changes, the Participant will be notified by email at least ten (10) days before implementation. The foregoing does not apply to rates per Quotation Request for Offer. 14.2 The content of a review is determined by an Applicant, and Getamover, in principle, has no influence on it. Applicant is aware that reviews on a Participant do not guarantee the quality of a Participant and the work to be performed by them. Getamover cannot be held responsible for the content of reviews. Getamover will not be liable for any damages arising from an Applicant's reliance on a review published on the Platform or otherwise arising from a review.

14.3 Getamover is entitled to remove or modify a review at any time at the request of the Applicant. Getamover may, but not exclusively, do so if, following a report, it appears that the review is incorrect, unreliable or unlawful, or otherwise does not comply with Getamovers.ie's conditions.

To post a review, Applicants must have placed an Application, and have identified the Participant on the Platform as the one who accepted and/or (partially) performed the order. Getamover does not allow paid or sponsored reviews and all Reviews are therefore posted voluntarily, without reward or payment. Getamover publishes all valid Reviews posted.
